

Anti-Spam Whitelist/Blacklist aanpassen als gebruiker

Log in op het spamfilter via: <https://master.antispamcloud.com>

The image shows a login form for the Anti-Spam Cloud interface. The form is white and centered on a blue background. It contains two input fields: 'Username / domain / email:' and 'Password:'. Below the input fields are two buttons: a blue 'Submit' button with a checkmark icon and a white 'Retrieve log-in link' button with a question mark icon. At the bottom of the form, there is a black footer bar containing the text '©2022 Spampanel' on the left and a language selector 'English' with a dropdown arrow on the right.

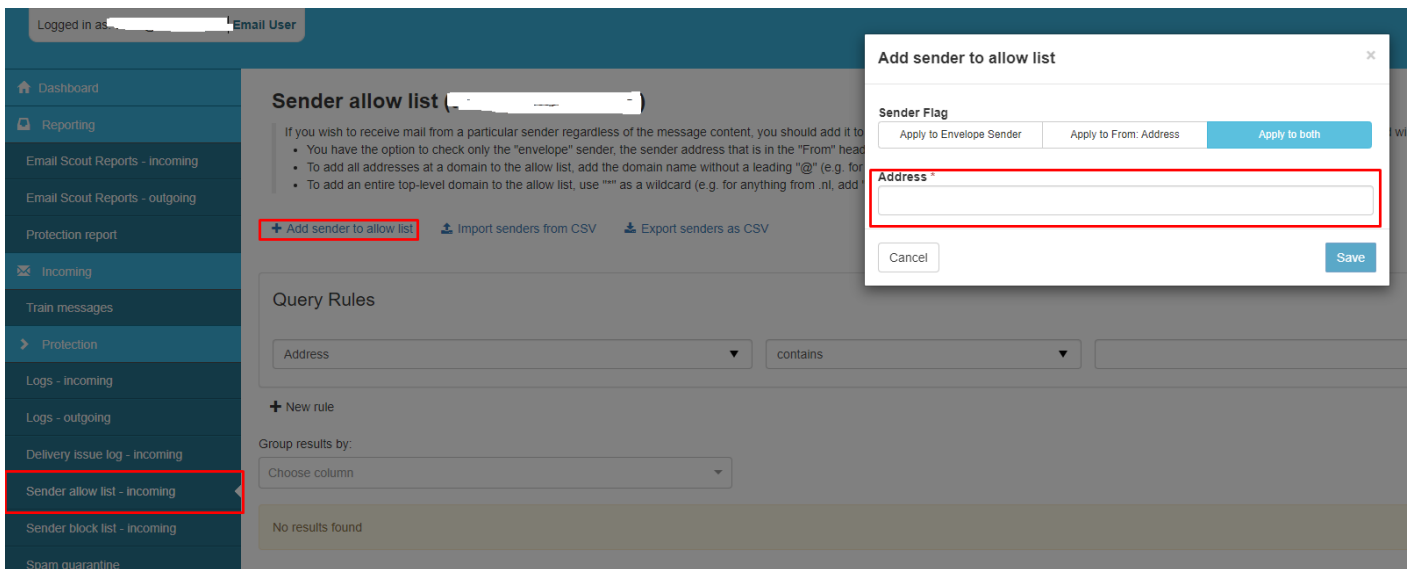

Username / domain / email:

Password:

©2022 Spampanel English ▾

Klik op de tab **Protection** -> **Sender allow list -incoming**.

U kunt nu hier uw persoonlijke **whitelist/blacklist** door op Add sender to allow list toevoegen en het gewenste adres in te voeren en op **save**

Dit zelfde geldt voor het blokkeren. Hier kunt u voor te recht bij Protection -> sender block list - incoming
