

Workspace App / Cloud Monitor verwijderen

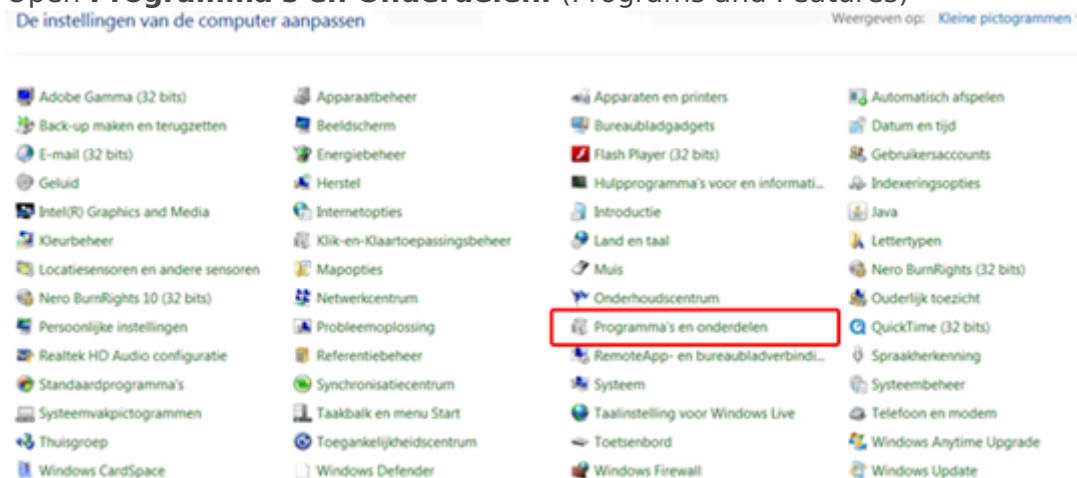

1. Klik op **start**.

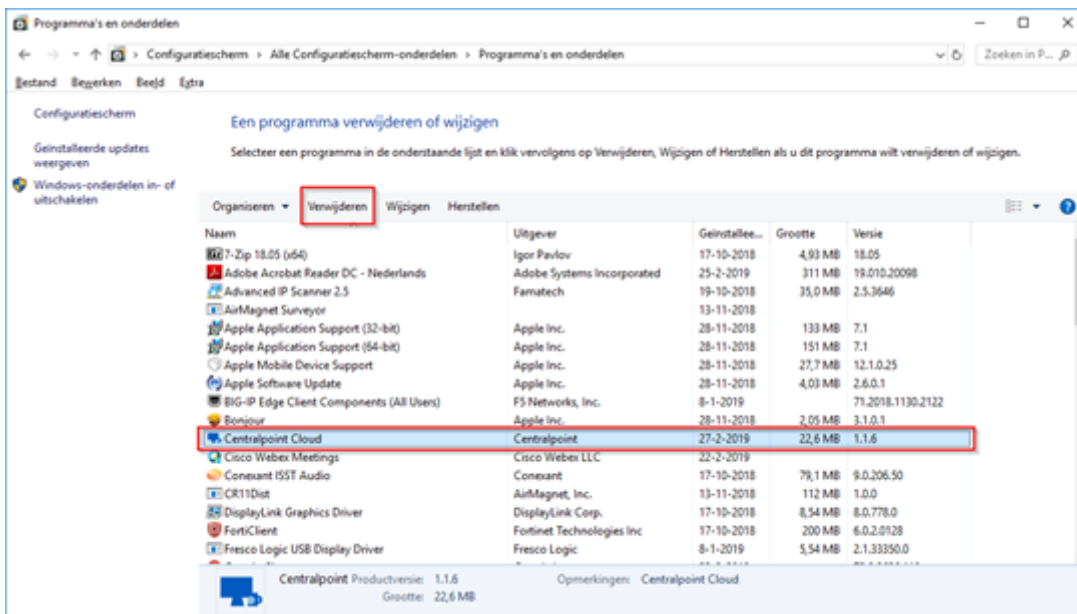

2. Zoek naar of klik op **Configuratiescherm**. (Control Panel)

3. Open **Programma's en Onderdelen**. (Programs and Features)

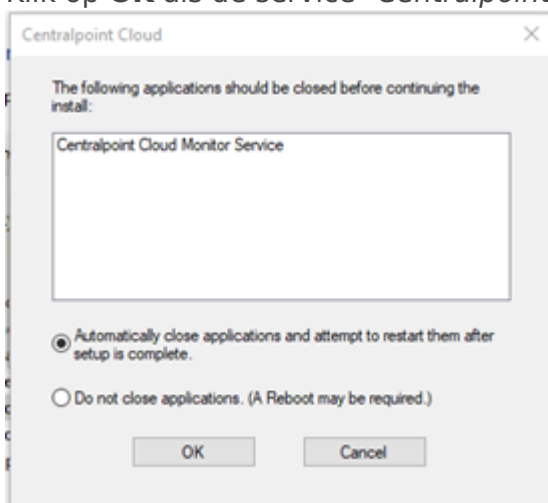

4. Selecteer **Centralpoint Cloud** en klik op **Verwijderen**. (Uninstall)

5. Klik op **Ja** op de vraag of u zeker weet dat de installatie ongedaan moet worden gemaakt.

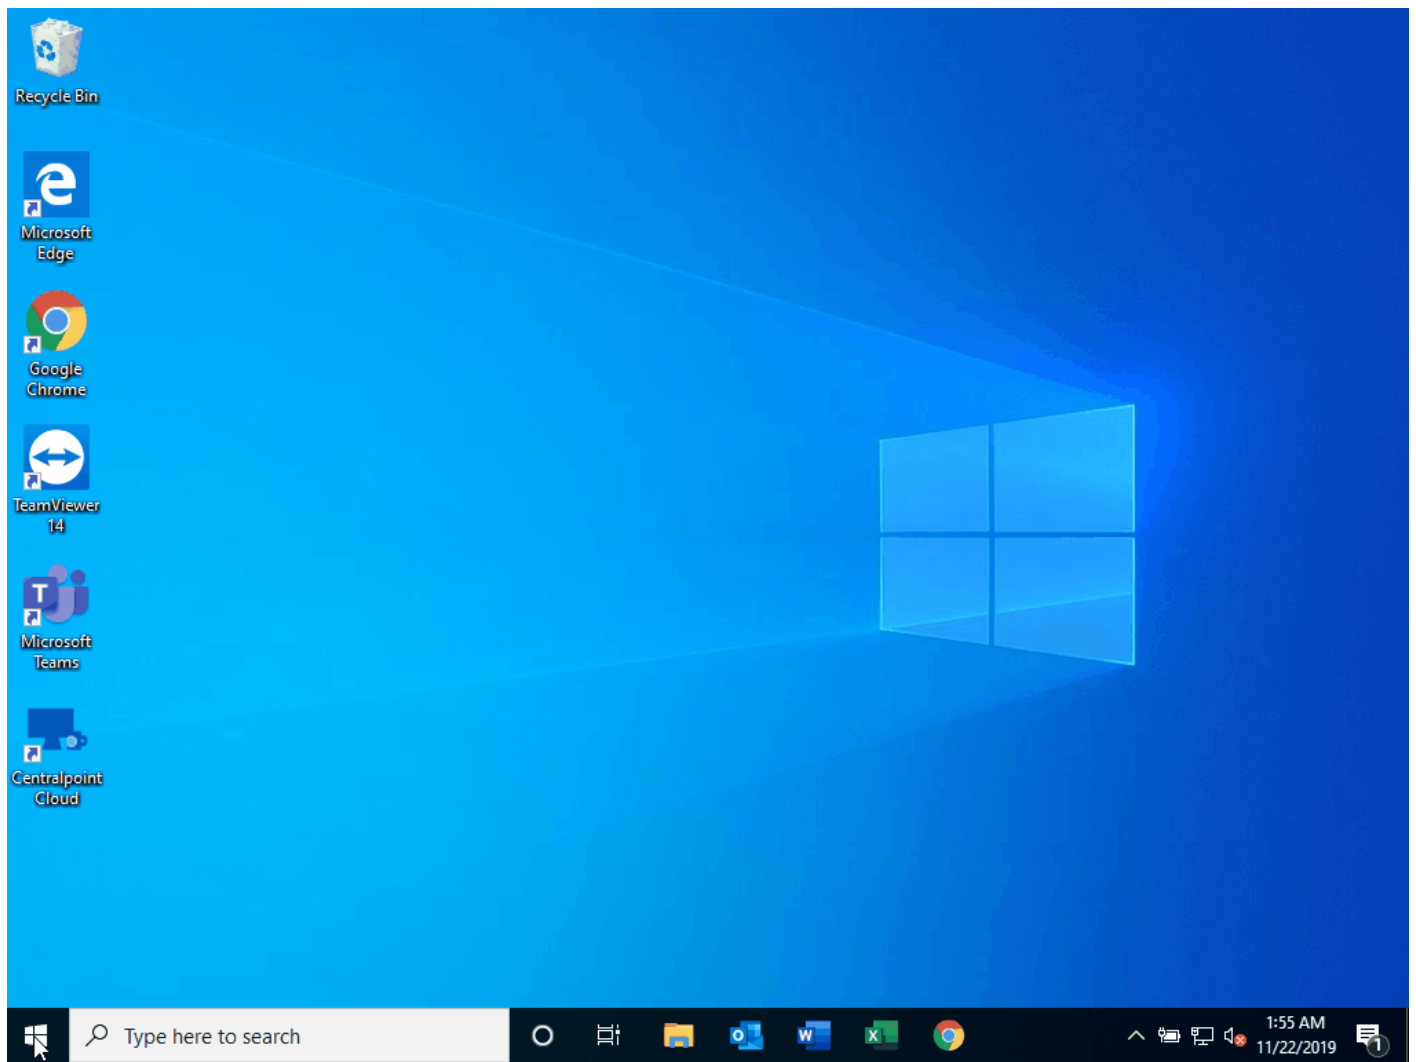

6. Eventuele vragen omtrent toegang mogen worden beantwoord met **Ja**.
7. Klik op **OK** als de service "Centralpoint Cloud Monitor Service" nog draait.

8. De de-installatie is voltooid.
